# CLASS NEWSLETTER

## News From: Ms Ayla and Ms Viv's 2/3 Classes

Term 4, 2019

### Literacy Foci:

- We will be writing book reviews with a description on our favourite or not so favourite part with a rating.
- Writing limerick poems - a 5-line poem where the first, second, and fifth line rhyme with each other and the third and fourth line rhyme with each other.
- Further developing letter-sound knowledge, spelling, grammar and sentence formation during our RWI Phonics lessons.

### Numeracy foci:

- We are continuing to learn how to read, understand and solve worded mathematical problems focusing on a range of maths contents such as, money, patterns, fractions, etc.
- Also students will be continuing to develop number sense through place value, addition, subtraction, multiplication and division.

### Other topics we will cover this term:

- Physical Science (push/pull and heat)

### You'll know your child is successful if she/he can:

- Follow the correct structure of a book review: Write a summary, description of favourite part or not so favourite part and give it a rating.
- Follow the correct structure of a limerick poem: 5-line, with the first, second and fifth line rhyme with each other and the third and fourth line rhyme with each other.
- Read, understand and solve worded mathematical problems.

### You can help at home by:

- Reading to your child every night.
