

Dear Parents and Guardians,

Just a quick reminder the preschool opens at 8:45am Miss Cogan is happy to open the preschool doors at 8:40am, as parents need to go to work. If this is not suitable please speak to Miss Cogan.

Umoona Child Care Centre staff should have notified parents when your child can attend their child care centre. If you are not sure please ask the preschool staff.

Some Coober Pedy community members are shaving their head and or beard to raise money for the Leukemia Foundation World Greatest Shave charity. Mr Smith is a teacher at Coober Pedy Area School. He is shaving his hair and beard to raise money for this charity. The event will take place in week 8.

The preschool children will be making and decorating cupcakes to sell in week 8. The location of the cupcake stall will be organised in week 7. All the money will go towards Mr Smith's donation to the Leukemia Foundation World Greatest Shave charity.

Thanks to Max, Ellie, Harrison, Evan, Jamie, Liam, Max and their family for the lovely fruit donation. Donations of plain flour, cheese and table salt would be much appreciated.

Kind Regards,
Lucy Cogan

A Snap Shot of Our Learning

Junior Primary Shared Learning

The preschool, reception and year one students meet together twice a term. The event happens Thursday last lesson in Ms Harinder's Classroom.

The children:

- danced to songs hokey pokey, Macarena and The Cowboy Song with Miss Vermeeren.
- made Ice Cream with Miss Cogan.
- made foaming colours experiment with Miss Costi.
- Jolly Phonics songs with Ms Harinder.

Easter Activities

The preschool children have enjoyed decorating their ceramic eggcup with porcelain markers and making Easter chocolates.

Vegetable Garden

The preschool children plant cucumbers into biodegradable pots. Once the plants begin to grow the children will plant the pots into the ground. Ms Sharlene will support the preschool children to grow their plants. Ms Sharlene maintains the school vegetable garden.
