From the Principal's Desk

Dear Parents/Caregivers,

I have been impressed by how the children have settled into their classes this year and their behaviour, despite being stuck inside classrooms at break times due to the hot weather.

The staff and the RSAS team are focussed on increasing attendance. We are tracking students carefully, making contact with parents/caregivers, and ensuring that the school is welcoming and positive for students who are returning after long absences.

Our students have been asked to cater for a Natural Resources conference in March. They will provide lunches and morning teas for the delegates. It will be a great way to promote the school and our wonderful students.

We have had many cases of illness in the school in the last 2 weeks. Please be aware that if you child/ren are showing any signs of sickness they should remain at home until signs of illness has gone. Children that are sent to the office ill will be sent home.

The 2017 swimming carnival is tomorrow. I hope this carnival will also allow parents and friends to meet and to promote fellowship and friendship.
