

COOBER PEDY AREA SCHOOL GRIEVANCE PROCEDURES

The staff and parents of CPAS are committed to providing the best possible educational outcomes for our children. For this to occur it is imperative that positive working relationships exist between all of us. Clear lines of communication including a defined process for dealing with issues of concern contribute to this process.

Keys to Success:

CONFIDENTIALITY: Confidentiality will be maintained at all times. It is essential that everyone respects this right and ensures that information remains only with those directly involved in this issue.

RESPECT: Everyone should be treated with respect; be heard and listen, and come to agreement or compromise.

The following grievance procedures are to support staff, students, parents and the community to resolve concerns.
